Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 14 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry with sunny spells. A few light showers possible.

Today:
Any early fog patches will soon lift to leave a largely dry day with sunny spells. However, there is the chance of a few light showers at times. Feeling pleasant under any sunshine. Maximum temperature 12 deg C (54 deg F).

Tonight:
A dry evening with some clear spells but cloud will build for a time during the early hours. Fog and frost patches likely to form under the clearest skies. Minimum temperature -1 deg C (30 deg F).

Thursday:
A fine and dry day with sunny spells and light winds. Clear spells will develop overnight allowing for a widespread frost to form and some fog patches. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Remaining largely dry throughout with sunny spells and light winds. Day time temperatures around average, though cold overnight with frost and fog patches likely.
